Features for level flower_yes versus other

Scores (OPLS-DA)

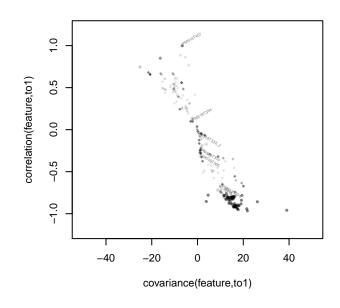

Model overview

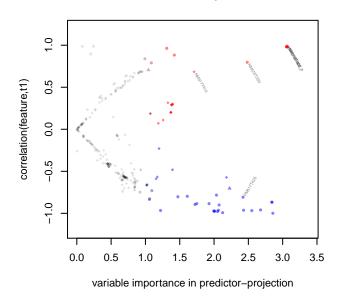

flower_yes versus other

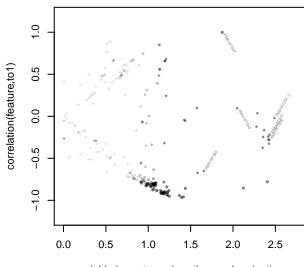

Features influencing orthogonal projection for flower, was versus other

Features for level flower_yes versus other

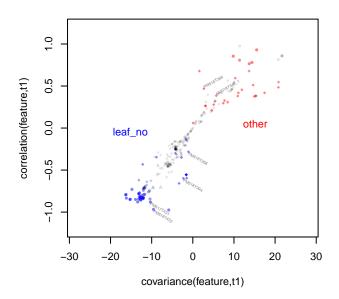

Features influencing orthogonal projection for flower_yes versus other

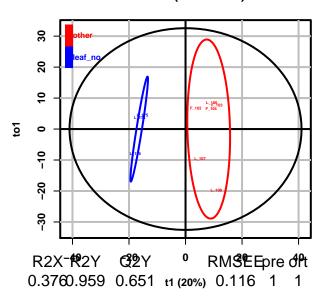

variable importance in orthogonal projection

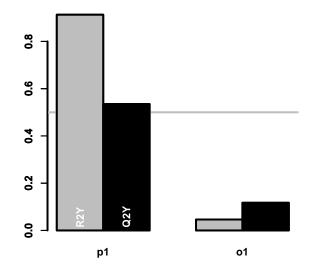

Features for level leaf_no versus other

Scores (OPLS-DA)

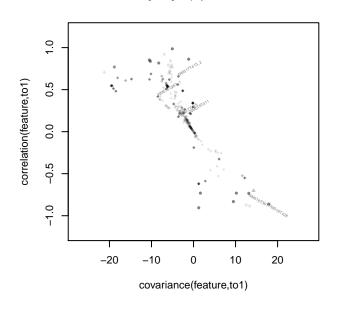

Model overview

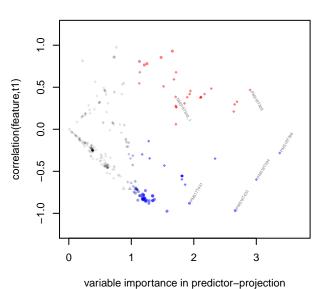

leaf_no versus other

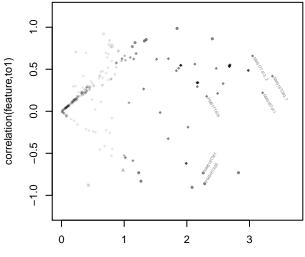

Features influencing orthogonal projection for leaf no versus other

Features for level leaf_no versus other

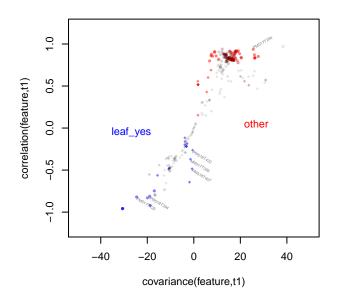

Features influencing orthogonal projection for leaf_no versus other

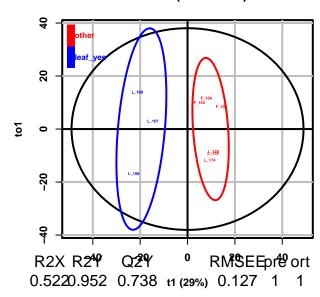

variable importance in orthogonal projection

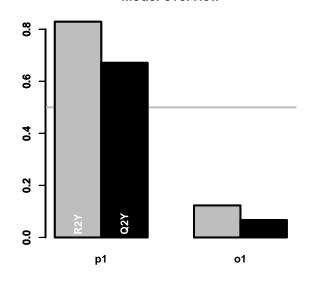

Features for level leaf_yes versus other

Scores (OPLS-DA)

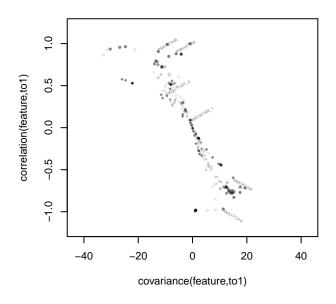

Model overview

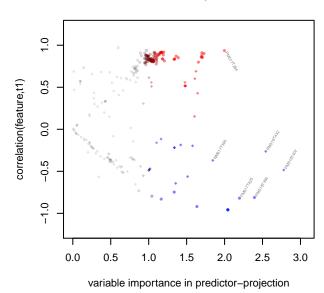

leaf_yes versus other

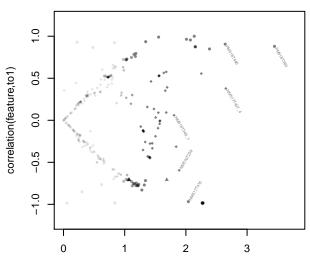

Features influencing orthogonal projection for leaf_yes versus other

Features for level leaf_yes versus other

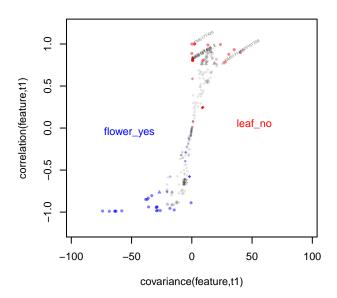

Features influencing orthogonal projection for leaf_yes versus other

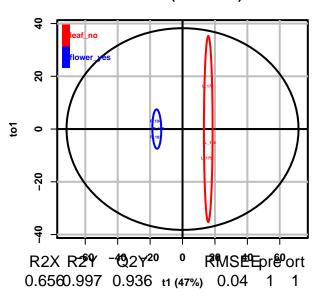

variable importance in orthogonal projection

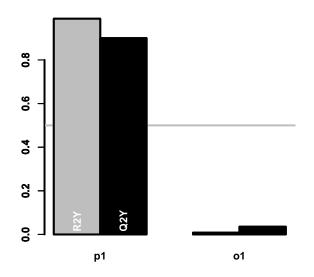

Scores (OPLS-DA)

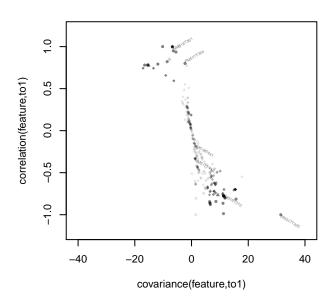

Model overview

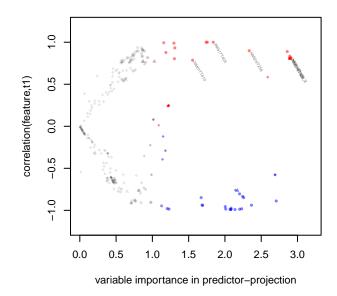

flower_yes versus leaf_no

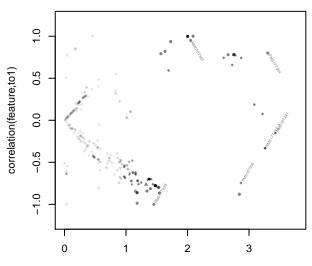

Features influencing orthogonal projection for flower_yes versus leaf_no

Features for level flower_yes versus leaf_no

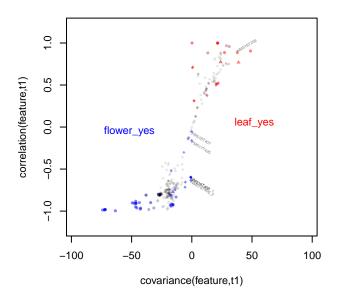

Features influencing orthogonal projection for flower_yes versus leaf_n

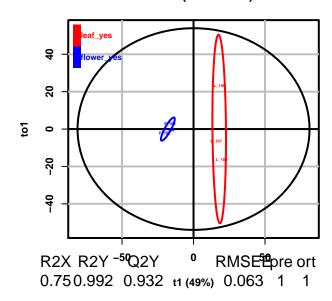

variable importance in orthogonal projection

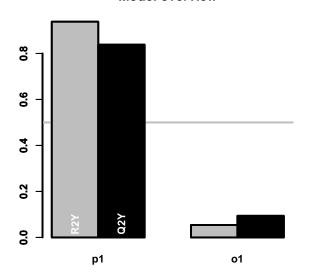

Features for level flower_yes versus leaf_yes

Scores (OPLS-DA)

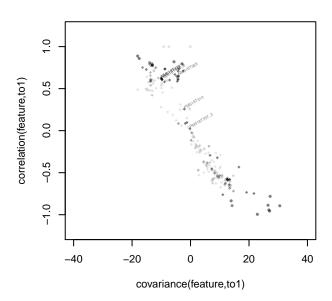

Model overview

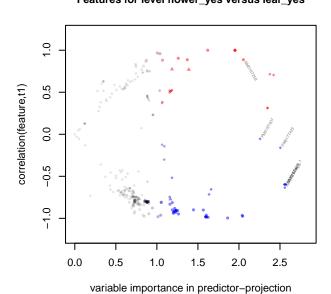

flower_yes versus leaf_yes

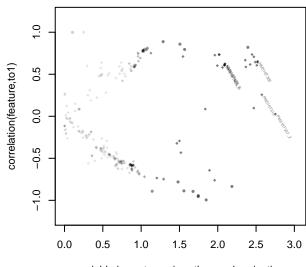

Features influencing orthogonal projection for flower_yes versus leaf_yes

Features for level flower_yes versus leaf_yes

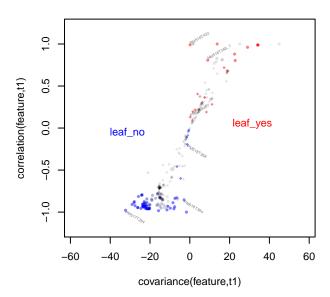

Features influencing orthogonal projection for flower_yes versus leaf_ye

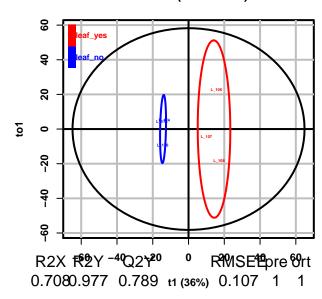

variable importance in orthogonal projection

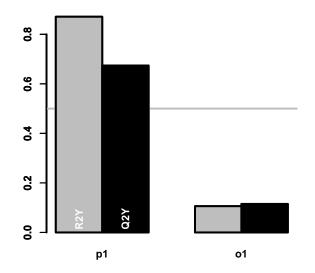

Scores (OPLS-DA)

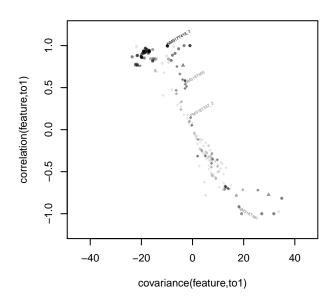

Model overview

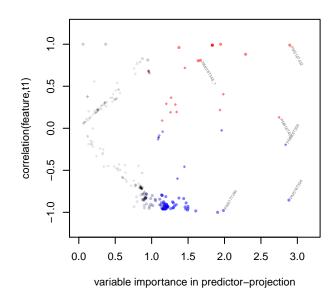

leaf_no versus leaf_yes

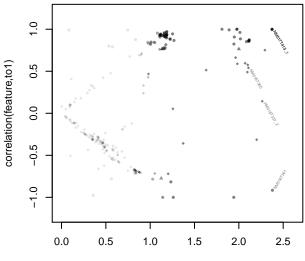

Features influencing orthogonal projection for leaf_no versus leaf_yes

Features for level leaf_no versus leaf_yes

Features influencing orthogonal projection for leaf_no versus leaf_yes

variable importance in orthogonal projection
