

Significantly contrasting features for level k1 versus other

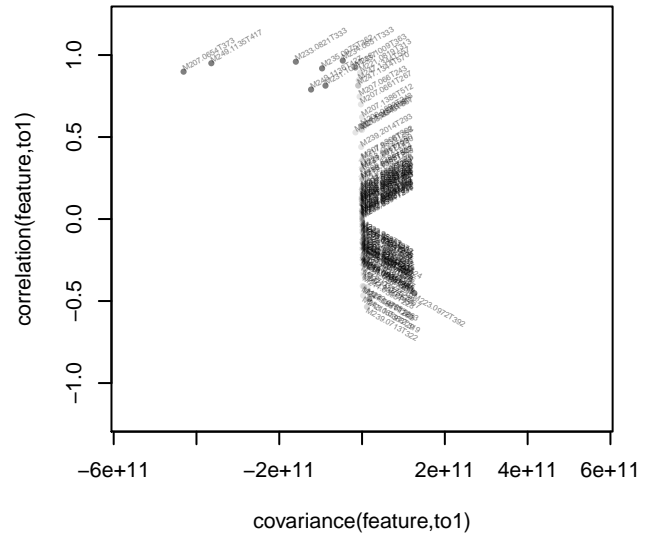

Scores (OPLS-DA)

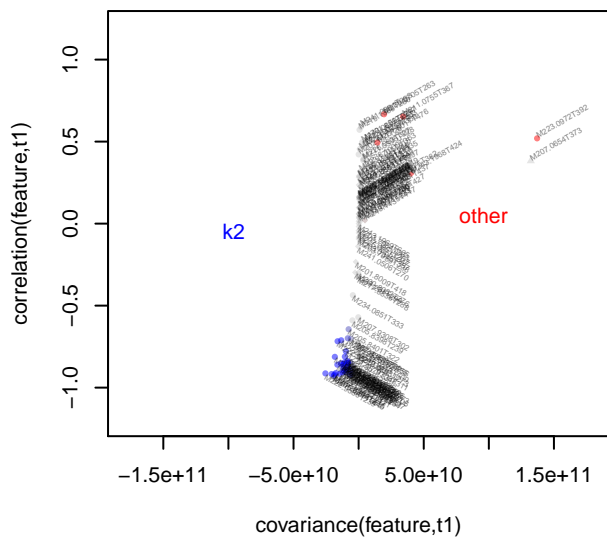

Model overview

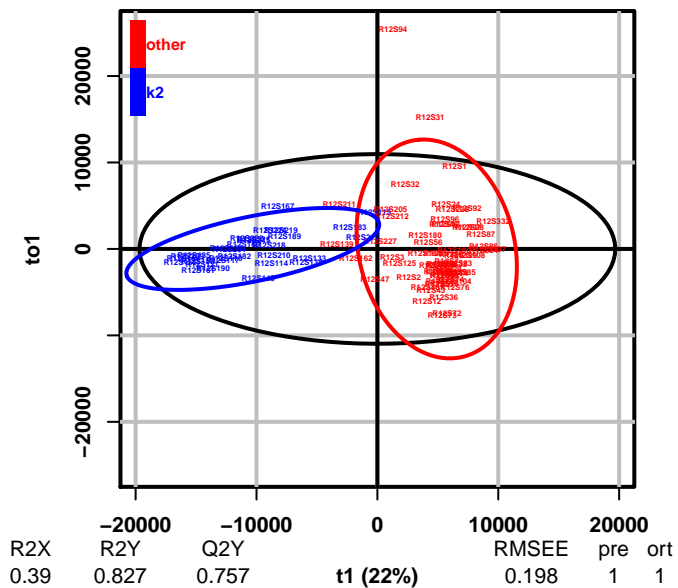

Features influencing orthogonal projection for k1 versus other

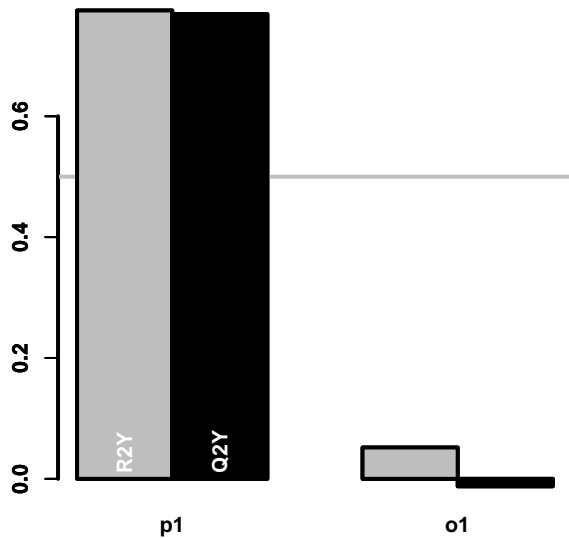

Significantly contrasting features for level k2 versus other

Scores (OPLS-DA)

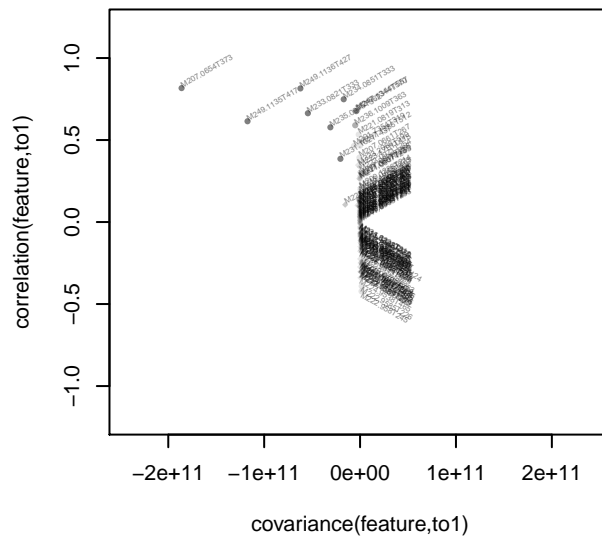

Model overview

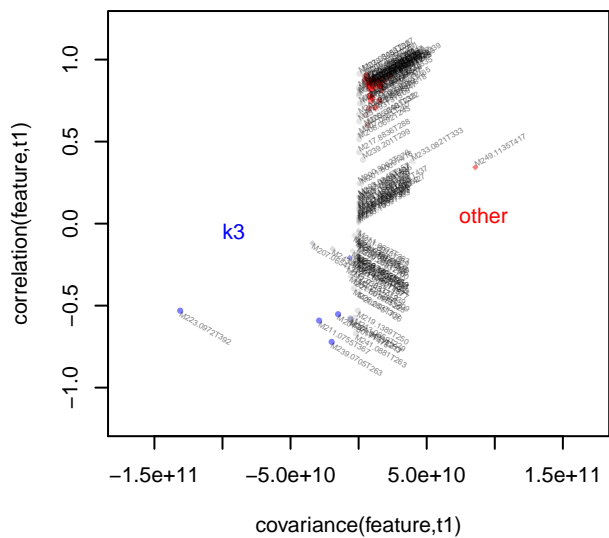

k2 versus other

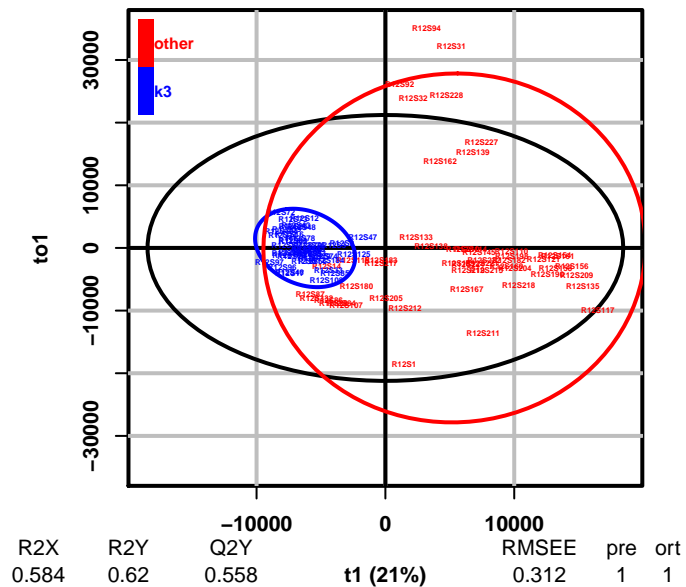

Features influencing orthogonal projection for k2 versus other

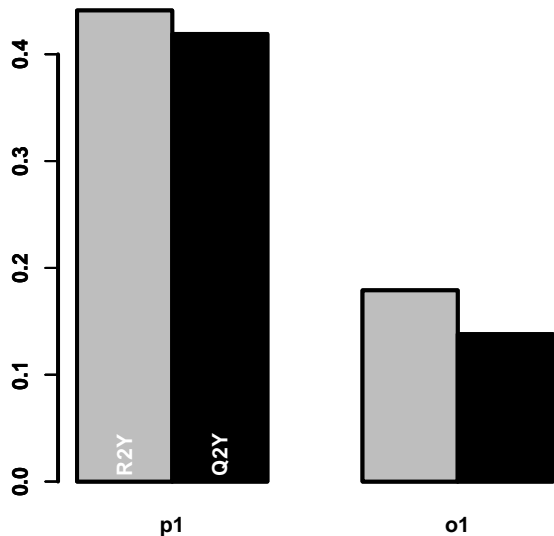

Significantly contrasting features for level k3 versus other

Scores (OPLS-DA)

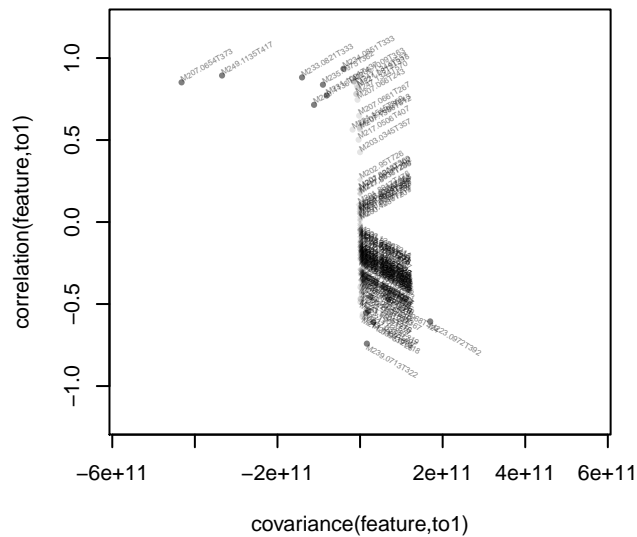

Model overview

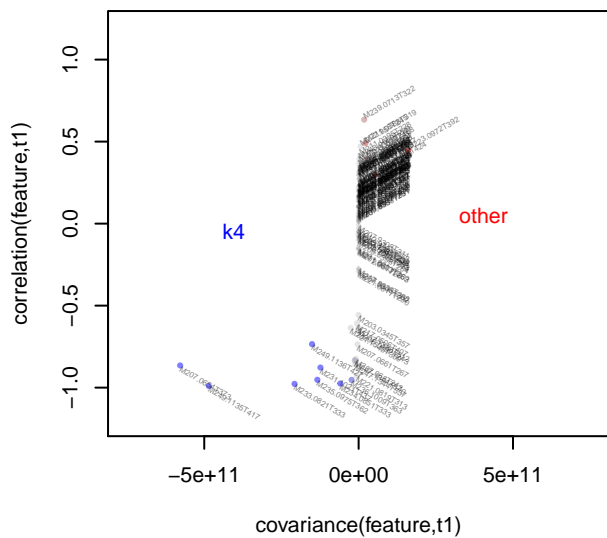

k3 versus other

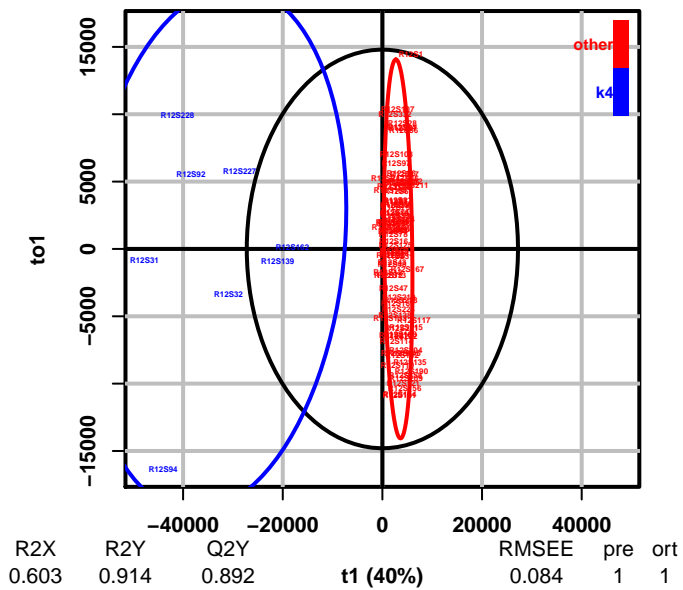

Features influencing orthogonal projection for k3 versus other

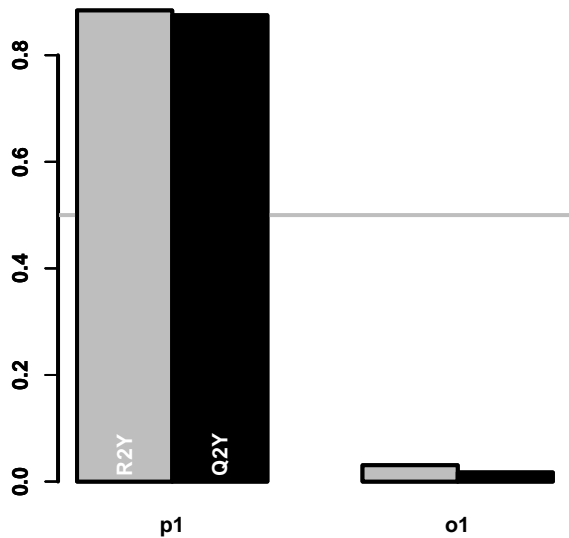

Significantly contrasting features for level k4 versus other

Scores (OPLS-DA)

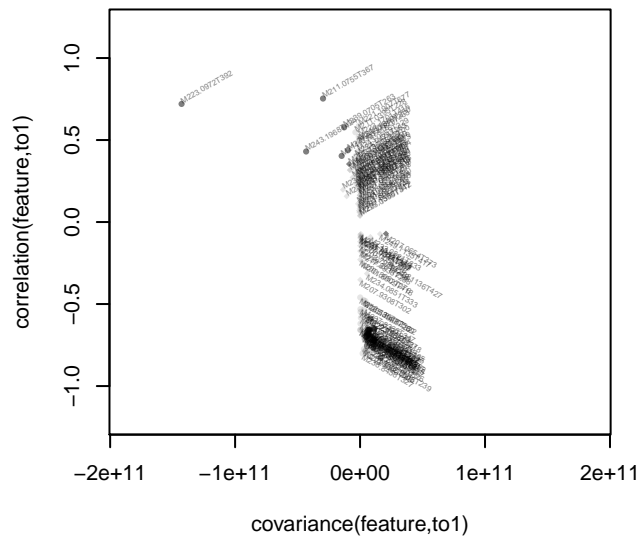

Model overview

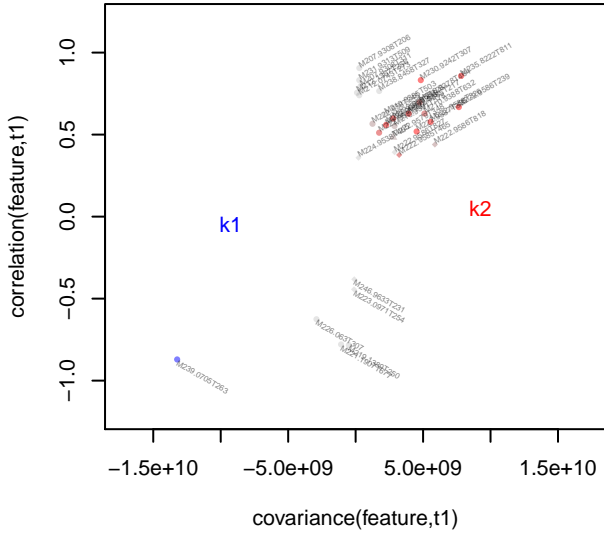

k4 versus other

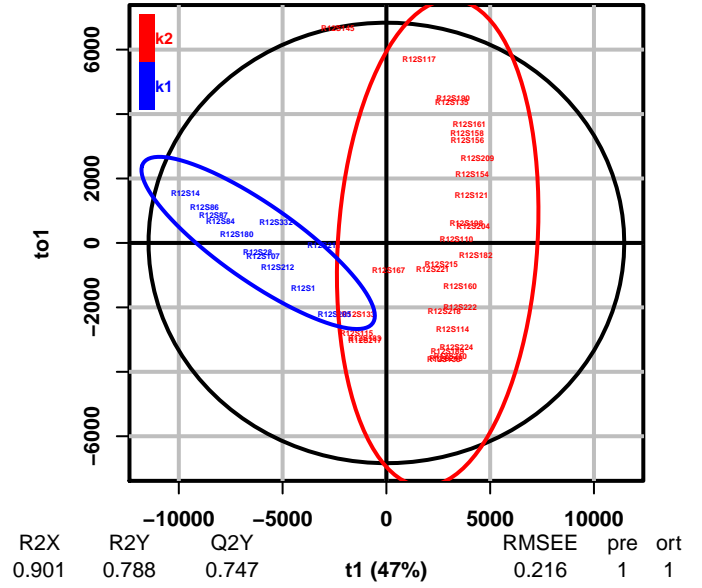

Features influencing orthogonal projection for k4 versus other

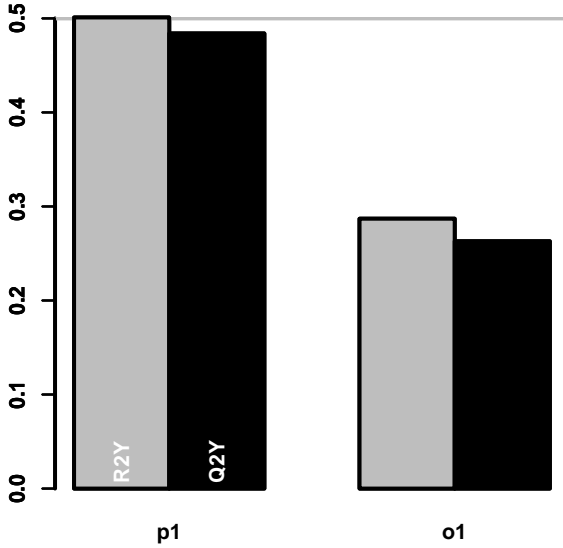

Significantly contrasting features for level k1 versus k2

Scores (OPLS-DA)

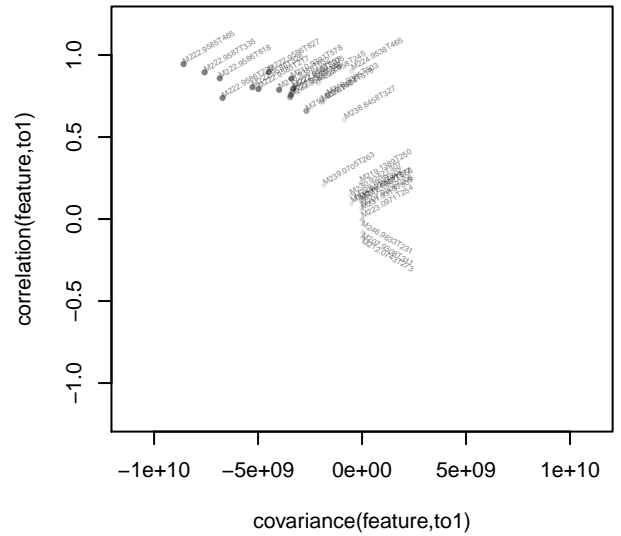

Model overview

k1 versus k2

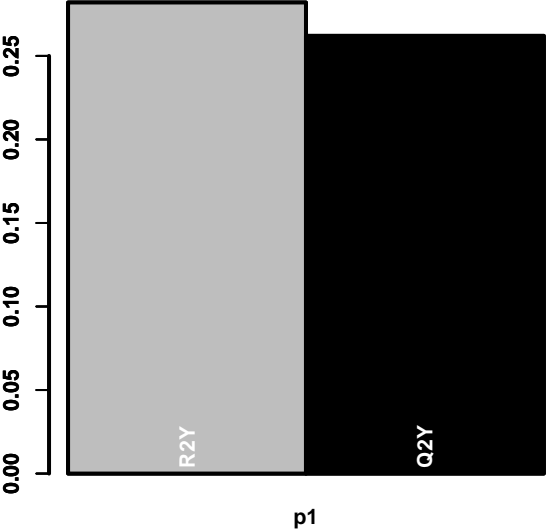

Features influencing orthogonal projection for k1 versus k2

too few covariance data

no orthogonal projection is possible

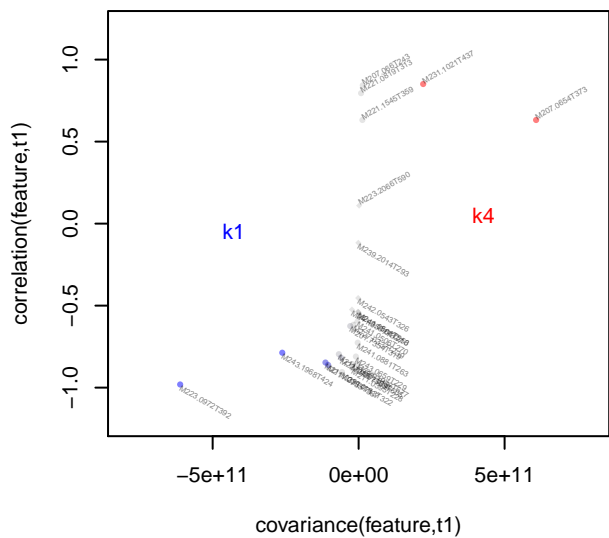

Model overview

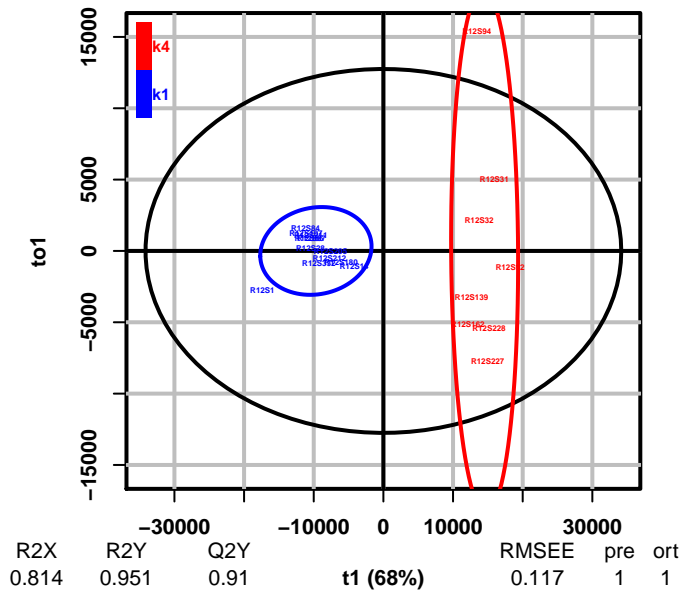

no orthogonal projection is possible

k1 versus k3

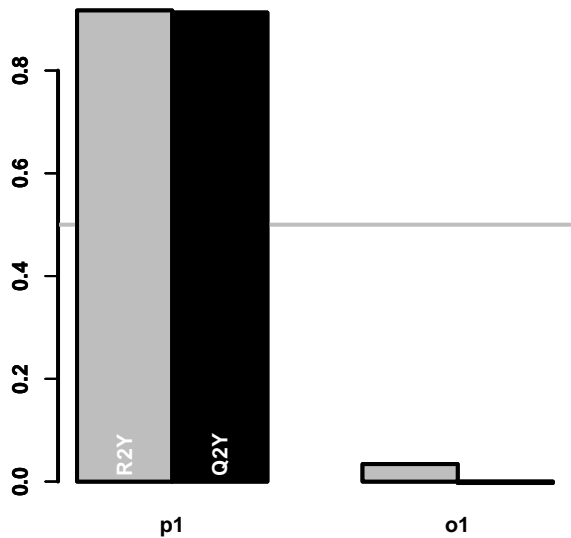

Significantly contrasting features for level k1 versus k4

Scores (OPLS-DA)

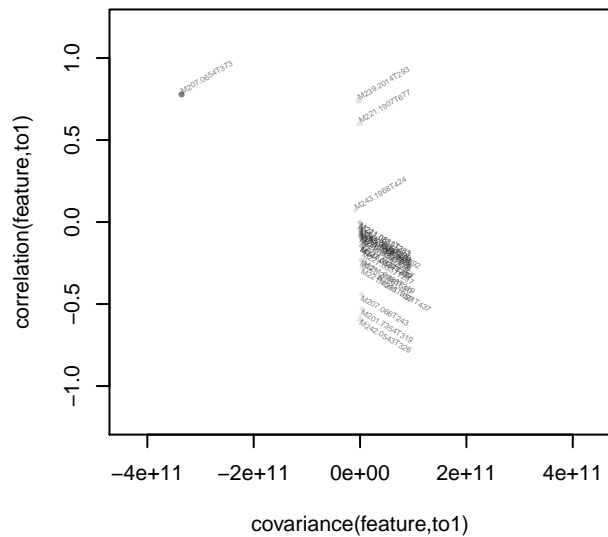

Model overview

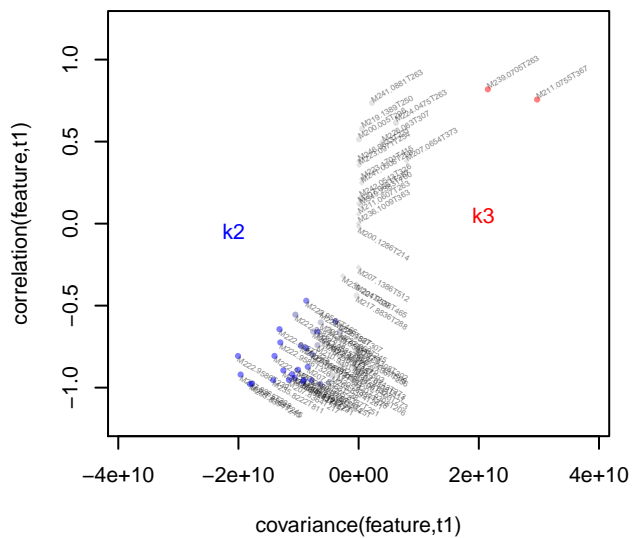

k1 versus k4

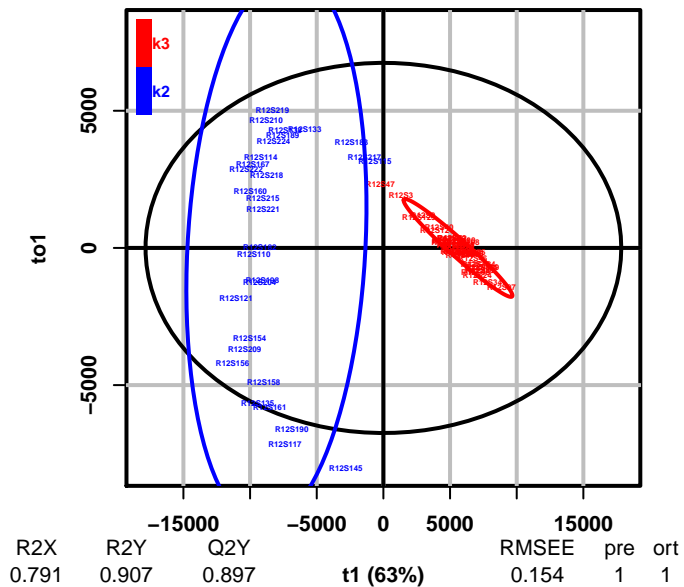

Features influencing orthogonal projection for k1 versus k4

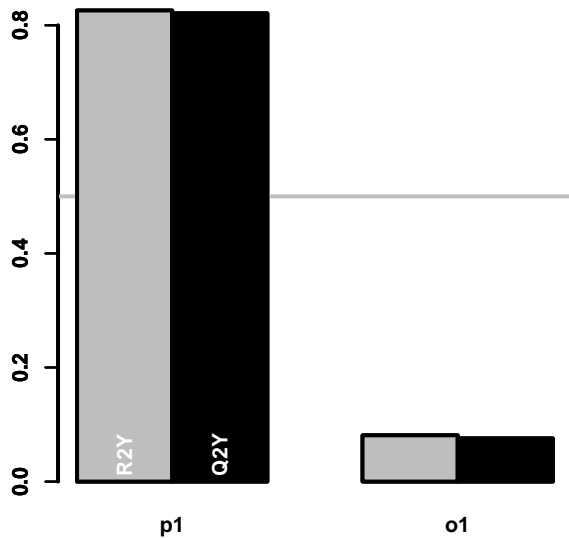

Significantly contrasting features for level k2 versus k3

Scores (OPLS-DA)

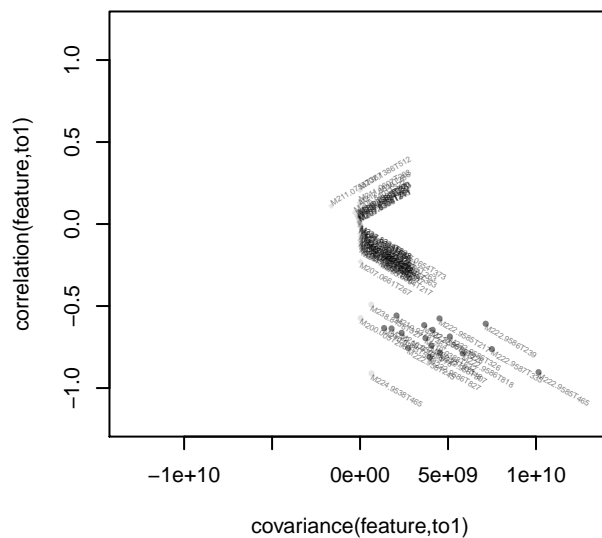

Model overview

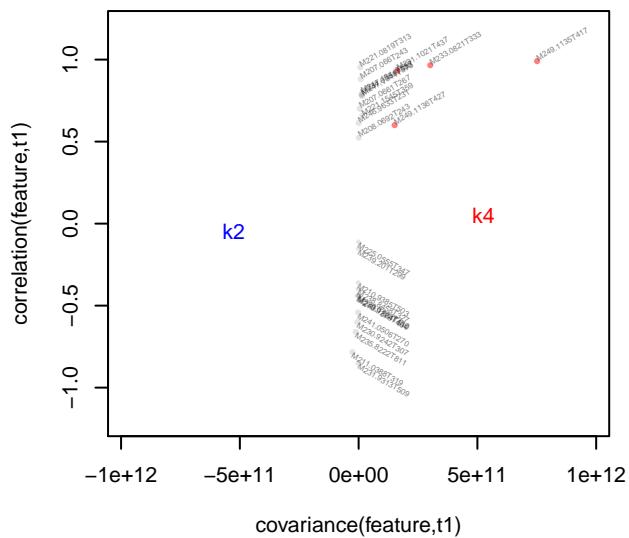

k2 versus k3

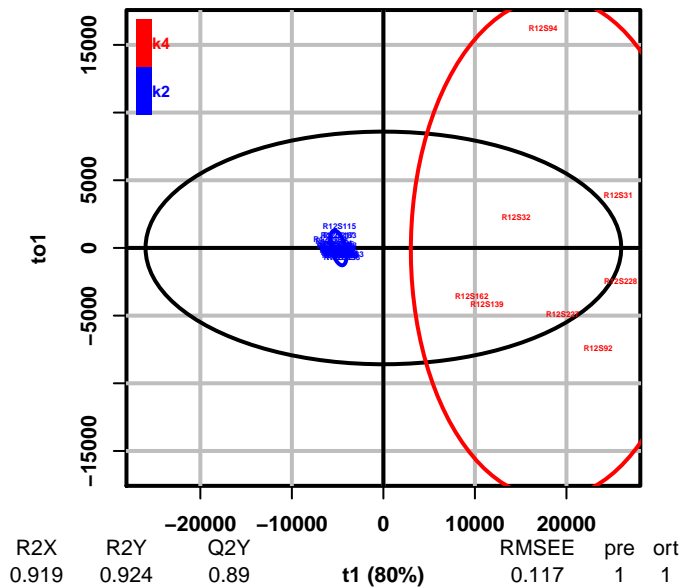

Features influencing orthogonal projection for k2 versus k3

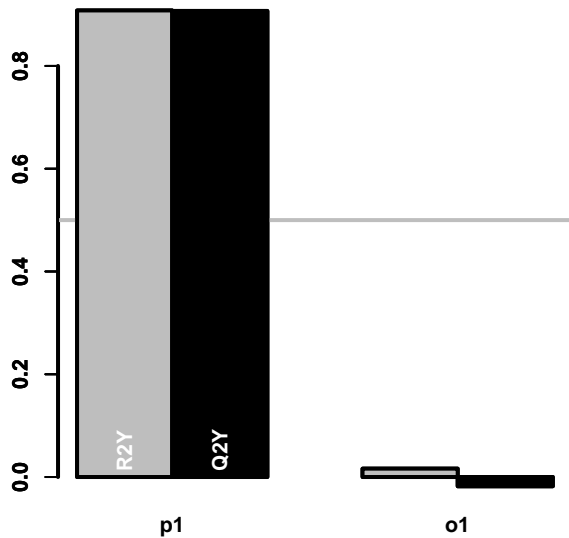

Significantly contrasting features for level k2 versus k4

Scores (OPLS-DA)

Model overview

k2 versus k4

Features influencing orthogonal projection for k2 versus k4
